

Join us at Lake Tobias to raise awareness for 22q11.2 deletion syndrome!

Join Geisinger's Autism & Developmental Medicine Institute (ADMI) and SPARK at Lake Tobias to raise awareness for 22q11.2 deletion syndrome! 22q at the Zoo gives families a chance to have a fun-filled day at the zoo, socialize with other 22q families, and help raise the public profile of this relatively common condition which is also sometimes called DiGeorge or Velo-cardio-facial syndrome.

When: Sunday, May 20, 2018

Time: 11:00 am – 2:00 pm

Where: Lake Tobias Wildlife Park
760 Tobias Road, Halifax, PA 17032
laketobias.com

Tickets: FREE for the first 100 people

Tickets are free on a first-come, first-served basis. Tickets include everything in the park, including the safari, petting zoo, exhibits, and reptile show. Parking is free.
(Max 4 free tickets per family)

We will also have 100 free 22q at the Zoo t-shirts available on a first-come, first-served basis! Contact Emily at 570-214-0167 or epalen@geisinger.edu if you have any questions.

Experience the wild at **Lake Tobias Wildlife Park** with hundreds of animals from around the world. Guided safari tours take you over 150 acres of rolling hills with herds of animals and flightless birds. You will encounter the exotic as you stroll around the zoo exhibits where interesting creatures educate and entertain you. The Reptiles & Exotics facility will thrill you with eye-opening presentations that will enlighten you on these fascinating creatures. You can even touch an alligator if you dare. Check out our Baby Animal department and our new award-winning Museum and Education Center. Come, join us for a day of wild adventure!
